ROI REPEATS AS ONE OF THE FASTEST GROWING COMPANIES IN 2006

Staffing Firm Honored for Second Consecutive Year

(April 17, 2007) - Resource Options, Inc. (ROI), a full service staffing firm headquartered in Needham, Mass., was recognized by the Boston Business Journal as one of the area's fastest growing private companies in 2006. Out of over 800 companies reviewed, ROI was one of just 60 selected and recognized at the April 13th "BBJ Pacesetters" event at the Boston Park Plaza Hotel. The 2006 honor is the second in a row for ROI and is based on three-year growth of over 160 percent.

"This is the latest acknowledgement of the hard work and success that has made ROI one of the best in the nation in finding talented, hard-working people," said Matthew Carlin, President of ROI. "We're going to keep growing, and we're going to keep providing the same great service clients and candidates have come to expect."

About Resource Options, Inc.

Resource Options, Inc. (ROI) has become, since its inception in 1998, a leading provider of staffing solutions across multiple industries. Whatever the industry, ROI's primary objective is to help clients maximize their 'Return On Investment' by directly managing their hiring needs and allowing them to focus on core business operations, technical priorities, and bottom-line profitability.
