Resource Options Makes “Inc.” Magazine’s Top 500 List for Second Straight Year

Resource Options, Inc., a staffing firm based in Needham, Mass., was named to Inc. magazine’s “Inc. 500” list this month, earning the title for the second consecutive year.

The “Inc. 500” list measures the fastest-growing private companies in the country. The 2005 honor for Resource Options is based on three-year growth of 429 percent. In 2004, Resource Options earned \$6.7 million in revenues and had a staff of 25 employees. This year, Resource Options expects to see \$8.3 million in revenues and currently employs 32 people. Resource Options is No. 298 this year, up from No. 317 in 2004.

“We are proud of our success, and honored to earn national recognition for our hard work. Finding talented, hard-working people is difficult, but we have proven to be successful,” said Matt Carlin, chief executive officer of Resource Options. “We’re going to keep growing in the future. Even as we grow, our clients and candidates will continue to receive the same caliber of personal service that they have come to expect from Resource Options.”

Resource Options headquarters are in Needham and the company has offices in Glen Rock, N.J. and Wallingford, Conn. Resource Options has become a leading provider of staffing solutions to the construction, environmental and engineering industries by managing clients’ hiring needs and allowing them to focus on their core business operations, technical priorities and profitability.
